

END USER LICENSE AGREEMENT

Last Updated Date: March 2, 2026

This End User License Agreement, including the Order Form which by this reference is incorporated herein (this “*Agreement*”), is a binding agreement between AEM Commercial, Inc., a Delaware corporation (“*AEM*”), and the Person identified on the Order Form as the licensee of the Software (“*Licensee*”). Any capitalized terms used herein shall have the meanings ascribed to them in Section 1.

AEM PROVIDES THE SOFTWARE SOLELY ON THE TERMS AND CONDITIONS SET FORTH IN THIS AGREEMENT AND ON THE CONDITION THAT END USER ACCEPTS AND COMPLIES WITH THEM. BY CLICKING THE “ACCEPT” BUTTON OR CHECKING THE “ACCEPT” BOX ON THE ORDER FORM YOU (A) ACCEPT THIS AGREEMENT AND AGREE THAT LICENSEE IS LEGALLY BOUND BY ITS TERMS; AND (B) REPRESENT AND WARRANT THAT: (I) YOU ARE OF LEGAL AGE TO ENTER INTO A BINDING AGREEMENT; AND (II) IF LICENSEE IS A CORPORATION, GOVERNMENTAL ORGANIZATION, OR OTHER LEGAL ENTITY, YOU HAVE THE RIGHT, POWER, AND AUTHORITY TO ENTER INTO THIS AGREEMENT ON BEHALF OF LICENSEE AND BIND LICENSEE TO ITS TERMS. IF LICENSEE DOES NOT AGREE TO THE TERMS OF THIS AGREEMENT, AEM WILL NOT AND DOES NOT LICENSE THE SOFTWARE TO LICENSEE AND YOU MUST NOT DOWNLOAD OR INSTALL THE SOFTWARE OR DOCUMENTATION.

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT OR YOUR OR LICENSEE’S ACCEPTANCE OF THE TERMS AND CONDITIONS OF THIS AGREEMENT, NO LICENSE IS GRANTED (WHETHER EXPRESSLY, BY IMPLICATION, OR OTHERWISE) UNDER THIS AGREEMENT, AND THIS AGREEMENT EXPRESSLY EXCLUDES ANY RIGHT, CONCERNING THE SOFTWARE THAT LICENSEE DID NOT ACQUIRE LAWFULLY OR THAT IS NOT A LEGITIMATE, AUTHORIZED COPY OF AEM’S SOFTWARE.

If the initial use of the Software is on a trial basis, the Agreement will apply only for the trial period, unless the use is converted to full-time, at which time this Agreement will continue in force for the duration of the Term (as defined in Section 11(a)).

1. **Definitions.** For purposes of this Agreement, the following terms have the following meanings:

- (a) “***Authorized Users***” means solely those individuals authorized to use the Software pursuant to the license granted under this Agreement.
- (b) “***Content***” any and all data, information and images generated by, collected by or displayed on the Software.
- (c) “***Documentation***” means AEM’s user manuals, handbooks, and installation guides relating to the Software provided by AEM to Licensee either electronically or in hard copy form.
- (d) “***Effective Date***” means the earlier of (i) the date set forth on the Order Form that specifies the license commencement date, (ii) the date Licensee downloads or installs the Software, or (iii) the date Licensee clicks an “ok” or “accept” button during installation, download, or purchase of the Software.
- (e) “***Fees***” means the fees, including all taxes thereon, paid or required to be paid by Licensee for the license granted under this Agreement.
- (f) “***Free Updates***” means any Updates that AEM generally makes available free of charge to all licensees of the Software.
- (g) “***Intellectual Property Rights***” means any and all registered and unregistered rights granted, applied for, or otherwise now or hereafter in existence under or related to any patent, copyright, trademark, trade secret, database

protection, or other intellectual property rights laws, and all similar or equivalent rights or forms of protection, in any part of the world.

(h) “**Order Form**” means the order form filled out and submitted by or on behalf of Licensee, and accepted by AEM, for Licensee’s purchase of the license for the Software granted under this Agreement.

(i) “**Paid Updates**” means the Updates that AEM provides to licensees of the Software after the initial one (1) year period in exchange for charges set forth on an Order Form for such Paid Updates.

(j) “**Person**” means an individual, corporation, partnership, joint venture, limited liability company, governmental authority, unincorporated organization, trust, association, or other entity.

(k) “**Software**” means the product described in the Order Form in object code format, including any Updates provided to Licensee pursuant to this Agreement.

(l) “**Third Party**” means any Person other than Licensee or AEM.

(m) “**Trademarks**” means the trademarks and the associated logos of the Software, and/or AEM.

(n) “**Updates**” means any updates, bug fixes, patches, or other error corrections to the Software. An Update will be reflected as a sub-increment on the current software version number, i.e., 3.1 to 3.2. For the avoidance of doubt, an Update does not include an Upgrade. Updates may be categorized as Free Updates or Paid Updates.

(o) “**Upgrade**” is a new version of the software representing a significant change or major improvement in the Software, introducing new features, functionality or options not found in the prior version. Upgrades will be represented by an increment to the primary version number, i.e., 3.1 to 4.1.

2. **License Grant and Scope.** Subject to and conditioned upon Licensee’s payment of the Fees and Licensee’s compliance with all terms and conditions set forth in this Agreement, AEM hereby grants Licensee a non-exclusive, non-sublicensable, non-transferable license, during the Term and solely by and through its Authorized Users, to:

(a) Download, copy, and install in accordance with the Documentation one (1) copy of the Software on each computer owned or leased, and controlled by, Licensee. For the avoidance of doubt, Licensee shall permit only one (1) Authorized User at a single computer to access the Software. In addition to the foregoing, Licensee has the right to make one (1) copy of the Software solely for archival purposes and one copy of the Software solely for backup purposes, provided that Licensee shall not, and shall not allow any Person to, install or use any such copy other than if and for so long as any copy installed in accordance with the preceding sentence is inoperable and, provided, further, that Licensee uninstalls and otherwise deletes such inoperable copy(ies). All copies of the Software made by the Licensee: (i) will be the exclusive property of AEM; (ii) will be subject to the terms and conditions of this Agreement; and (iii) must include all trademark, copyright, patent, and other Intellectual Property Rights notices contained in the original.

(b) Use and run the Software as properly installed in accordance with this Agreement and the Documentation, solely as set forth in the Documentation and solely for Licensee’s internal business purposes. Such use is permitted only on the computer on which the Software is installed, at the physical location thereof and not via any remote access or other network.

(c) Download or otherwise make one (1) copy of the Documentation per copy of the Software permitted to be downloaded and installed in accordance with this Agreement and use such Documentation, solely in support of its licensed use of the Software in accordance herewith. All copies of the Documentation made by Licensee: (i) will be the exclusive property of AEM; (ii) will be subject to the terms and conditions of this Agreement; and (iii) must include all Intellectual Property Rights notices contained in the original.

3. **Third-Party Materials.** The Software may include software, content, data, or other materials, including related documentation, that are owned by Persons other than AEM and that are provided to Licensee on licensee terms that are in addition to and/or different from those contained in this Agreement (“**Third-Party Licenses**”). Licensee is bound

by and shall comply with all Third-Party Licenses. Any breach by Licensee or any of its Authorized Users of any Third-Party License is also a breach of this Agreement.

4. **Use Restrictions.** Licensee shall not, and shall require its Authorized Users not to, directly or indirectly: (a) use (including make any copies of) the Software or Documentation beyond the scope of the license granted under Section 2; (b) provide any other Person, including any subcontractor, independent contractor, affiliate, or service provider of Licensee, with access to or use of the Software or Documentation; (c) modify, translate, adapt, or otherwise create derivative works or improvements, whether or not patentable, of the Software or Documentation or any part thereof; (d) combine the Software or any part thereof with, or incorporate the Software or any part thereof in, any other programs; (e) reverse engineer, disassemble, decompile, decode, or otherwise attempt to derive or gain access to the source code of the Software or any part thereof; (f) remove, delete, alter, or obscure any trademarks or any copyright, trademark, patent, or other intellectual property or proprietary rights notices provided on or with the Software or Documentation, including any copy thereof; (g) except as expressly set forth in Section 2(a) and Section 2(c), copy the Software or Documentation, in whole or in part; (h) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make available the Software, or any features or functionality of the Software, to any Third Party for any reason, whether or not over a network or on a hosted basis, including in connection with the internet or any web hosting, wide area network (WAN), virtual private network (VPN), virtualization, time-sharing, service bureau, software as a service, cloud, or other technology or service; (i) use the Software or Documentation in violation of any law, regulation, or rule; or (j) use the Software or Documentation for purposes of competitive analysis of the Software, the development of a competing software product or service, or any other purpose that is to AEM's commercial disadvantage.

5. **Responsibility for Use of the Software.** Licensee is responsible and liable for all uses of the Software and Documentation through access thereto provided by Licensee, directly or indirectly. Specifically, and without limiting the generality of the foregoing, Licensee is responsible and liable for all actions and failures to take required actions with respect to the Software and Documentation by its Authorized Users or by any other Person to whom Licensee or an Authorized User may provide access to or use of the Software and/or Documentation, whether such access or use is permitted by or in violation of this Agreement.

6. **Compliance Measures.** The Software may contain technological copy protection or other security features designed to prevent unauthorized use of the Software, including features to protect against any use of the Software that is prohibited under Section 4. Licensee shall not, and shall not attempt to, remove, disable, circumvent, or otherwise create or implement any workaround to, any such copy protection or security features.

7. **Maintenance and Support.**

(a) Subject to Section 7(b), the license granted hereunder entitles Licensee to the provision of Free Updates (together with all Documentation related to the Updates) no later than when AEM delivers or makes those Updates available to other licensees. In the absence of a separate Software Maintenance Agreement entered into by and between AEM and Licensee, after the expiration of the initial one (1)-year period, AEM will deliver to Licensee all Paid Updates necessary to maintain the Software's conformance with the Documentation, the applicable Order Form, and the Agreement at its usual and customary commercial price, if ordered by Licensee.

(b) Maintenance and support services will include provision of Free Updates. AEM may develop and provide any type of Updates in its sole discretion, and Licensee agrees that AEM has no obligation to develop any Updates at all or for particular issues. Licensee further agrees that all Updates will be deemed the Software, and related documentation will be deemed Documentation, all subject to all terms and conditions of this Agreement. Licensee acknowledges that AEM may provide some or all Updates via download from a website designated by AEM and that Licensee's receipt thereof will require an internet connection, which connection is Licensee's sole responsibility. AEM has no obligation to provide Updates via any other media. Maintenance and support services do not include any new version or new release of the Software that AEM may issue as a separate or new product, and AEM may determine whether any issuance qualifies as a new version, new release, or Update in its sole discretion.

(c) AEM reserves the right to condition the provision of maintenance and support services, including all or any Updates, on Licensee's registration of the copy of the Software for which support is requested. AEM has no obligation to provide maintenance and support services, including Updates: (i) for any but the most current or

immediately preceding version or release of the Software; (ii) for any copy of the Software for which all previously issued Updates have not been installed; (iii) if Licensee is in breach under this Agreement; or (iv) for any Software that has been modified other than by or with the authorization of AEM, or that is being used with any hardware, software, configuration, or operating system not specified in the Documentation or expressly authorized by AEM in writing.

8. **Collection and Use of Information.** Licensee acknowledges that AEM may, directly or indirectly through the services of Third Parties, collect and store information regarding use of the Software and about equipment on which the Software is installed or through which it otherwise is accessed and used, through: (a) the provision of maintenance and support services; and (b) security measures included in the Software as described in Section 6. Licensee agrees that the AEM may use such information for any purpose related to any use of the Software by Licensee or on Licensee's equipment, including but not limited to, (i) improving the performance of the Software or developing Updates and (ii) verifying Licensee's compliance with the terms of this Agreement and enforcing the AEM's rights, including all Intellectual Property Rights in and to the Software.

9. **Intellectual Property Rights.** Licensee acknowledges and agrees that the Software and Documentation are provided under license, and not sold, to Licensee. Licensee does not acquire any ownership interest in the Software or Documentation under this Agreement, or any other rights thereto, other than to use the same in accordance with the license granted and subject to all terms, conditions, and restrictions under this Agreement. AEM and its licensors and service providers reserve and shall retain their entire right, title, and interest in and to the Software and all Intellectual Property Rights arising out of or relating to the Software, except as expressly granted to the Licensee in this Agreement. Further, AEM shall own all Intellectual Property Rights associated with all Content and the Trademarks. Licensee shall safeguard the Software (including all copies thereof) from infringement, misappropriation, theft, misuse, or unauthorized access. Licensee shall promptly notify AEM if Licensee becomes aware of any infringement of the AEM's Intellectual Property Rights in the Software and fully cooperate with AEM in any legal action taken by AEM to enforce its Intellectual Property Rights.

10. **Payment.** Licensee shall pay the Fees in advance in the manner set forth in the Order Form. All Fees are non-refundable. All Fees are exclusive of all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any governmental authority on any amounts payable by Licensee. Licensee shall be responsible for all such charges, costs, and taxes; provided, that, Licensee shall not be responsible for any taxes imposed on, or with respect to, AEM's income, revenues, gross receipts, personal or real property, or other assets. Any renewal of the license or maintenance and support services hereunder shall not be effective until the fees for such renewal have been paid in full.

11. **Term and Termination.**

(a) This Agreement and the license granted hereunder shall remain in effect for one (1) year from the Effective Date (the "***Initial Term***"), unless terminated earlier pursuant to the terms hereof. This Agreement shall automatically renew for successive one (1) year periods unless written notice is received at least thirty (30) days prior to renewal of an election not to renew (each, a "***Renewal Term***" and together with the Initial Term, the "***Term***").

(b) Licensee may terminate this Agreement by ceasing to use and destroying all copies of the Software and Documentation.

(c) AEM may terminate this Agreement, effective upon written notice to Licensee, if Licensee, breaches this Agreement and such breach: (i) is incapable of cure; or (ii) being capable of cure, remains uncured thirty (30) days after AEM provides written notice thereof. AEM may also terminate this Agreement, effective immediately, if Licensee files, or has filed against it, a petition for voluntary or involuntary bankruptcy or pursuant to any other insolvency law, makes or seeks to make a general assignment for the benefit of its creditors or applies for, or consents to, the appointment of a trustee, receiver, or custodian for a substantial part of its property.

(d) Upon expiration or earlier termination of this Agreement, the license granted hereunder shall also terminate, and Licensee shall cease using and destroy all copies of the Software and Documentation. No expiration or termination shall affect Licensee's obligation to pay all Licensee fees and any support fees that may have become due before such expiration or termination, or entitle Licensee to any refund.

12. **Warranty Disclaimer**. THE SOFTWARE AND DOCUMENTATION ARE PROVIDED TO LICENSEE “AS IS” AND WITH ALL FAULTS AND DEFECTS WITHOUT WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, AEM, ON ITS OWN BEHALF AND ON BEHALF OF ITS AFFILIATES AND ITS AND THEIR RESPECTIVE LICENSORS AND SERVICE PROVIDERS, EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, WITH RESPECT TO THE SOFTWARE AND DOCUMENTATION, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE, OR TRADE PRACTICE. WITHOUT LIMITATION TO THE FOREGOING, AEM PROVIDES NO WARRANTY OR UNDERTAKING, AND MAKES NO REPRESENTATION OF ANY KIND THAT THE SOFTWARE WILL MEET THE LICENSEE’S REQUIREMENTS, ACHIEVE ANY INTENDED RESULTS, BE COMPATIBLE, OR WORK WITH ANY OTHER SOFTWARE, APPLICATIONS, SYSTEMS, OR SERVICES, OPERATE WITHOUT INTERRUPTION, MEET ANY PERFORMANCE OR RELIABILITY STANDARDS OR BE ERROR FREE, OR THAT ANY ERRORS OR DEFECTS CAN OR WILL BE CORRECTED.

13. **Limitation of Liability**. To the fullest extent permitted under applicable law:

(a) IN NO EVENT WILL AEM OR ITS AFFILIATES, OR ANY OF ITS OR THEIR RESPECTIVE LICENSORS OR SERVICE PROVIDERS, BE LIABLE TO LICENSEE OR ANY THIRD PARTY FOR ANY USE, INTERRUPTION, DELAY, OR INABILITY TO USE THE SOFTWARE; LOST REVENUES OR PROFITS; DELAYS, INTERRUPTION, OR LOSS OF SERVICES, BUSINESS, OR GOODWILL; LOSS OR CORRUPTION OF DATA; LOSS RESULTING FROM SYSTEM OR SYSTEM SERVICE FAILURE, MALFUNCTION, OR SHUTDOWN; FAILURE TO ACCURATELY TRANSFER, READ, OR TRANSMIT INFORMATION; FAILURE TO UPDATE OR PROVIDE CORRECT INFORMATION; SYSTEM INCOMPATIBILITY OR PROVISION OF INCORRECT COMPATIBILITY INFORMATION; OR BREACHES IN SYSTEM SECURITY; OR FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES, WHETHER ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT AEM WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(b) IN NO EVENT WILL AEM’S AND ITS AFFILIATES’, INCLUDING ANY OF ITS OR THEIR RESPECTIVE LICENSORS’ AND SERVICE PROVIDERS’, COLLECTIVE AGGREGATE LIABILITY UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ITS SUBJECT MATTER, UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE, EXCEED THE TOTAL AMOUNT PAID TO AEM PURSUANT TO THIS AGREEMENT FOR THE SOFTWARE.

(c) THE LIMITATIONS SET FORTH IN SECTION 13(a) AND SECTION 13(b) SHALL APPLY EVEN IF THE LICENSEE’S REMEDIES UNDER THIS AGREEMENT FAIL OF THEIR ESSENTIAL PURPOSE.

14. **Export Regulation**. The Software may be subject to US export control laws, including the Export Control Reform Act and its associated regulations. Licensee shall not, directly or indirectly, export, re-export, or release the Software to, or make the Software accessible from, any jurisdiction or country to which export, re-export, or release is prohibited by law, rule, or regulation. Licensee shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), prior to exporting, re-exporting, releasing, or otherwise making the Software available outside the US.

15. **Miscellaneous**.

(a) All matters arising out of or relating to this Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule. Any legal suit, action, or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be instituted in the state and federal courts located in the State of Delaware, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such legal suit, action, or proceeding.

Service of process, summons, notice, or other document by mail to such party's address set forth herein shall be effective service of process for any suit, action, or other proceeding brought in any such court.

(b) In no event shall AEM be liable to Licensee, or be deemed to have breached this Agreement, for any failure or delay in performing its obligations under this Agreement if and to the extent such failure or delay is caused by any circumstances beyond AEM's reasonable control, including but not limited to: (i) acts of God; (ii) flood, fire, earthquake, or explosion; (iii) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (iv) government order, law, or actions; (v) embargoes or blockades in effect on or after the date of this Agreement; (vi) national or regional emergency; (vii) strikes, labor stoppages or slowdowns, or other industrial disturbances; and (viii) shortage of adequate power or transportation facilities.

(c) All notices, requests, consents, claims, demands, waivers, and other communications hereunder shall be in writing and shall be deemed to have been given: (i) when delivered by hand (with written confirmation of receipt); (ii) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (iii) on the date sent by facsimile or email (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next business day if sent after normal business hours of the recipient; or (iv) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent to the respective parties at the addresses set forth on the Order Form (or to such other address as may be designated by a party from time to time in accordance with this Section 15(c)).

(d) This Agreement, together with the Order Form, all annexes, schedules, and exhibits attached hereto and all other documents that are incorporated by reference herein, constitutes the sole and entire agreement between Licensee and AEM with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter.

(e) Licensee shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement, in each case whether voluntarily, involuntarily, by operation of law, or otherwise, without AEM's prior written consent, which consent AEM may give or withhold in its sole discretion. For purposes of the preceding sentence, and without limiting its generality, any merger, consolidation, or reorganization involving Licensee (regardless of whether Licensee is a surviving or disappearing entity) will be deemed to be a transfer of rights, obligations, or performance under this Agreement for which AEM's prior written consent is required. No delegation or other transfer will relieve Licensee of any of its obligations or performance under this Agreement. Any purported assignment, delegation, or transfer in violation of this Section 15(e) is void. AEM may freely assign or otherwise transfer all or any of its rights, or delegate or otherwise transfer all or any of its obligations or performance, under this Agreement without Licensee's consent. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective permitted successors and assigns.

(f) This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer on any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

(g) If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

You must accept this Agreement to be allowed access to the Software. If you need assistance, please contact support@aem.eco
